**PETITION TO REVIVE**

May 7, 2003

The Commissioner of Patents and Trademarks  
P.O. Box 450  
Alexandria, Virginia 22313-1450

Dear Sir:

The Office is requested to revive the above identified application.

The application was delivered to the Patent Office by a member of the firm of J.F. Brown and Associates by hand on February 6, 2001. Enclosed are copies of the covering letter filed with the application and the receipt acknowledgment from the Patent Office.

A Notice of Recordation of Assignment document was received on May 7, 2001, and a Filing Receipt and a Notice to File Missing Parts of Non-Provisional Application

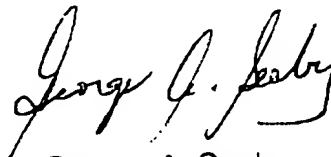

were received on May 9, 2001. Enclosed are copies of the Recordation of Assignment document, the Filing Receipt and the Notice to File Missing Parts of Non-Provisional Application.

On May 21, 2001, a reply to the Notice to File Missing Parts was filed in the USPTO. Enclosed are copies of a reply and a receipt acknowledgment of the reply.

Because we did not receive a reply to our letter filed May 21, 2001 or anything further from the USPTO in connection with the application, in April of this year we telephoned the USPTO to determine the status of the application. We were informed that the application has become abandoned for failure to pay the filing fee.

In view of the foregoing, it is submitted that this application should be revived.

Yours sincerely,

George A. Seaby
